

OFT Bank Transfer Details

The OFT strongly recommends that payments are made by card to avoid delays in issuing licences!

Payments made by card are processed automatically and contain accurate references to identify what the payment is for. They are therefore significantly quicker to process and allow the OFT to issue licences quicker.

Card payment details are sent automatically by e-mail. If you have not received them please contact: business.licensing@oft.gov.gi

Bank transfer details:

If you are unable to pay by card, please use the details below. While we will do our utmost to process these payments as soon as possible, please note that bank transfers may take up to a week to be processed. Until this is done we will not be able to issue your licence, even if you are able to produce a transfer confirmation from your bank.

The OFT cannot accept responsibility for any delays in licences being issued as a result of difficulties in identifying your bank transfer. To avoid delays it is **very important** that:

1. the **reference number** is included with the transfer (this is normally the licence number); and
2. the **right amount** is sent (if the incorrect amount is sent the transfer will be reversed).

Reference: **Remember to include your reference number!**
